### § 1.73 Interpretations.

(a) *Nature and purpose.* (1) The Commission issues and causes to be published in the FEDERAL REGISTER interpretations of the provisions of the Fair Credit Reporting Act on its own initiative or pursuant to the application of any person when it appears to the Commission that guidance as to the legal requirements of the Act would be in the public interest and would serve to bring about more widespread and equitable observance of the Act.

(2) The interpretations are not substantive rules and do not have the force or effect of statutory provisions. They are guidelines intended as clarification of the Fair Credit Reporting Act, and, like industry guides, are advisory in nature. They represent the Commission's view as to what a particular provision of the Fair Credit Reporting Act means for the guidance of the public in conducting its affairs in conformity with that Act, and they provide the basis for voluntary and simultaneous abandonment of unlawful practices by members of industry. Failure to comply with such interpretations may result in corrective action by the Commission under applicable statutory provisions.

(b) *Procedure.* (1) Requests for Commission interpretations should be submitted in writing to the Secretary of the Federal Trade Commission stating the nature of the interpretation requested and the reasons and justification therefor. If the request is granted, as soon as practicable thereafter, the Commission will publish a notice in the FEDERAL REGISTER setting forth the text of the proposed interpretation. Comments, views, or objections, together with the grounds therefor, concerning the proposed interpretation may be submitted to the Secretary of the Commission within thirty (30) days of public notice thereof. The proposed

interpretation will automatically become final after the expiration of sixty (60) days from the date of public notice thereof, unless upon consideration of written comments submitted as hereinabove provided, the Commission determine to rescind, revoke, modify, or withdraw the proposed interpretation, in which event notification of such determination will be published in the FEDERAL REGISTER.

(2) The issuance of such interpretations is within the discretion of the Commission and the Commission at any time may conduct such investigations and hold such conferences or hearings as it may deem appropriate. Any interpretation issued pursuant to this chapter is without prejudice to the right of the Commission to reconsider the interpretation, and where the public interest requires, to rescind, revoke, modify, or withdraw the interpretation, in which event notification of such action will be published in the FEDERAL REGISTER.

(c) *Applicability of interpretations.* Interpretations issued pursuant to this subpart may cover all applications of a particular statutory provision, or they may be limited in application to a particular industry, as appropriate.

### Subpart I—Procedures for Implementation of the National Environmental Policy Act of 1969

AUTHORITY: 15 U.S.C. 46(g), 42 U.S.C. 4321 et seq.

SOURCE: 47 FR 3096, Jan. 22, 1982, unless otherwise noted.

#### § 1.81 Authority and incorporation of CEQ Regulations.

This subpart is issued pursuant to 102(2) of the National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 et seq.). Pursuant to Executive Order 11514 (March 5, 1970, as amended by Executive Order 11991, May 24, 1977) and the Environmental Quality Improvement Act of 1980, as amended (42 U.S.C. 4371 et seq.) the Council on Environmental Quality (CEQ) has issued comprehensive regulations for implementing the procedural provi-

sions of NEPA (40 CFR parts 1500 through 1508) ("CEQ Regulations"). Although it is the Commission's position that these regulations are not binding on it, the Commission's policy is to comply fully with the CEQ Regulations unless it determines in a particular instance or for a category of actions that compliance would not be consistent with the requirements of law. With this caveat, the Commission incorporates into this subpart the CEQ Regulations. The following are supplementary definitions and procedures to be applied in conjunction with the CEQ Regulations.

[47 FR 3096, Jan. 22, 1982, as amended at 50 FR 53304, Dec. 31, 1985]

#### § 1.82 Declaration of policy.

(a) Except for actions which are not subject to the requirements of section 102(2)(C) of NEPA, no Commission proposal for a major action significantly affecting the quality of the human environment will be instituted unless an environmental impact statement has been prepared for consideration in the decisionmaking. All relevant environmental documents, comments, and responses as provided in this subpart shall accompany such proposal through all review processes. "Major actions, significantly affecting the quality of the human environment" referred to in this subpart "do not include bringing judicial or administrative civil or criminal enforcement actions" CEQ Regulation (40 CFR 1508.18(a)). In the event that the Commission in an administrative enforcement proceeding actively contemplates the adoption of standards or a form of relief which it determines may have a significant effect on the environment, the Commission will, when consistent with the requirements of law, provide for the preparation of an environmental assessment or an environmental impact statement or such other action as will permit the Commission to assess alternatives with a view toward avoiding or minimizing any adverse effect upon the environment.

(b) No Commission proposal for legislation significantly affecting the quality of the human environment and concerning a subject matter in which the Commission has primary responsibility will be submitted to Congress without
